sense and simplicity

Automatic espresso machine
Intelia One Touch Cappuccino

HD8753/11

Highlights

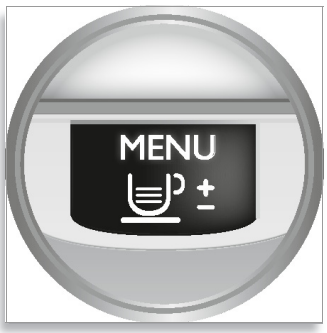
Autocleaning and de-scaling

Easy to use includes easy maintainance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your machine.

Ceramic grinders

These high-tech grinders beat the competition's steel grinders on many levels: always perfectly Italian taste because of consistently accurate grinding without overheating, supreme longevity, super-silent operation.

Customization and maintenance



Customization and maintenance menu

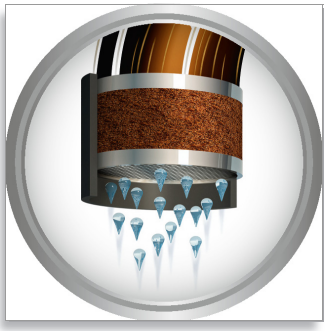
Dishwasher safe Milk Carafe

Dishwasher safe Milk Carafe

One touch cappuccino

With the integrated automatic milk function you can enjoy your favourite Cappuccino just with the touch of a button.

Pre-brewing system



Pre-brewing for even more enjoyment. Thanks to the Saeco Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma can unfold even better.

Color coded user interface

Enjoy direct and clear interaction thanks to the self-explanatory icons display. For maximum convenience the icons are colored according to the thrafflic light colors: Red requires action, Yellow means the machine is "busy" (like heating up). Green is ready to use.

Adjustable coffee strength

Adjustable coffee strength and temperature

Integrated automatic milk

Enjoy your milk specialties without any stop: it is possible to refill the carafe with milk even while the integrated milk function is plugged in and working.
